

LAYNA'S *Grace*

UGC CREATOR Motherhood • Home • Budget • Family food

Let's make content your audience actually trusts.

I'm a real single mom showing real use, the kind of content that gets saved, screenshotted, and "where'd you get that?" comments. Not a billboard. If your product earns a spot in my actual day, my people listen.

PRODUCTS I'VE CREATED CONTENT FOR

Halara • Javvy • Poppi • BUILT

Vertical, sound on, 1080 x 1920.
